Transition Plan for BIT students – 12 December 2016.

BIT students who enrolled in their degrees in 2015 or before will need to make a number of changes to their program of study as some subject are retired and new subjects are introduced.

BIT (->2015) Subject	New BIT (2016->) Subject	Comments
ISIT111 (Autumn)	CSCIT111(Autumn, Spring)	
ISIT102 (Autumn)	CSIT113 (Autumn)	
ISIT105 (Autumn)	CSIT127 (Spring)	
ISIT100 (Spring)	CSIT114 (Autumn, Spring)	
ISIT112 (Spring)	CSIT115(Autumn)	
MATH179 (Spring)	MATH223(Spring)	
ISIT114(Spring)	CSIT121 (Autumn, Spring)	
ISIT218 (Autumn)	CSIT226 (Spring)	
CSCI224 (Autumn)	CSIT226 (Spring)	E-business major students who have not completed ISIT218 should see subject coordinator for alternative to CSCI224
ISIT205 (Autumn)	ISIT333 (Autumn)	
ISIT318 and ISIT351	CSIT321	May initially indicate provisional enrolment. If you have completed ISIT206 and ISIT218 request pre req waiver from CSCI321 subject coordinator
ISIT301 (Aut)	ISIT313 (Aut)	
ISIT311 (Aut)	ISIT312 (Sp)	ISIT312 offered in Spring. If this change raises problems in relation to graduation in July 2017 please see subject coordinator for replacement subject
ISIT326 (Sp)	ISIT343(Sp)	Other subjects are available for Social Policy major if programming is not your preference

Please remember
The rules for your degree depend on the year that you enrolled. So when you need to check your progress please refer to the correct course handbook (the year that you were enrolled in – not the current year).

I can provide you with a cheat sheet (the one that I use) to track your progress. If you still need help I can check that you got it right!
