Science, Technology, Engineering and Mathematics Ambassador Positions

An opportunity currently exists for students to act as Science Technology Engineering and Mathematics (STEM) Ambassadors for the Faculty of Engineering and Information Sciences and Faculty of Science Medicine and Health. We are seeking applications from enthusiastic students who would like to share their passion for STEM with school students.

Duties
- Give presentations to school students.
- Answer questions regarding STEM study options at UOW.
- Assist with recruitment and outreach events as required.

Essential Criteria
1. Excellent communication skills, including the capacity to convey enthusiasm for STEM to future students.
2. Currently undertaking a SMAH or EIS or Science/Maths Education degree at the University of Wollongong.
3. Credit average or above.
4. Demonstrated ability to work as part of a team.
5. Reliable and enthusiastic.
6. Over 17 years of age.
7. Hold a current driver’s licence (minimum Green P’s).

Desirable Criteria
1. Previous leadership experience.
2. Good general knowledge of High School STEM subjects.
3. Received an ATAR of 75+ (or equivalent) in 2011, 2012 or 2013.

Hours of Work and Rate of Pay
Work is on an irregular casual basis, hours depend upon demand, and the availability of the STEM Ambassador. The rate of pay is General Staff Casual Rate 2(currently $30.93 per hour).

Applications
In your application, please address in writing all of the Criteria and include a copy of your most recent University of Wollongong academic results, if available.
